### Vehicle & Paddock Rules

Vehicle parking at TSMP will vary per event and will be directed by either event personnel or by security personnel

No vehicles of any kind are permitted on the Race Course, Autocrosses and Skid Pad without the express consent of TSMP. No motor vehicles are permitted on any courses or tracks after the track is closed/cold for the day.

The garages will be opened each morning at 7am and closed nightly at 6pm, unless other arrangements are agreed upon.

The traffic flow in the paddock is counter clockwise. In other words, when traveling in the garage area the building should stay to the driver's left. In addition, cords may not run across the travel lane during on track activity. Cords being run while the track is cold must be covered by a yellow jacket cable protector.

The bridge entering the paddock only allowed for one way travel. The lights on either side of the bridge allowing ingress and egress to the paddock are on a timer. The lights will change approximately every 90 seconds, and must be obeyed.

Race/unmuffled engines may not be started prior to 8:30 am, Monday through Saturday, and 12 noon on Sunday. The starting of race/unmuffled engines prior to these times is expressly forbidden and violators may be subject to immediate removal from EVENT. Unless otherwise indicated, engine noises may not exceed **TSMP's 103 dB limit.**

Tow hooks are strongly recommended to expedite the towing process. If there are no tow hooks available, the towing crew will hook onto other areas that may cause damage to the vehicle being towed. The tow crew will not be held responsible or liable for said damage.

Smoking is not permitted in the hot pits, anywhere that fuel is being dispensed or in any facility building or garage.

Alcoholic beverages are permitted in the paddocks and pits fifteen (15) minutes after on-track activity has ceased for the day and until 10:00 pm. TSMP has the right to suspend driving privileges for any driver found to be out of compliance.

Standing on pit wall is not permitted. Sitting or leaning on pit wall is also not permitted.

During events in the hot areas (corner stations, pit lane, etc.) long pants and closed toe shoes must be worn.

To facilitate emergency vehicle access, race and personal vehicles must not be parked on any paddock road or safety access lane during an Event. Any vehicle not in compliance will be towed at User's expense.

Anyone caught driving recklessly will be removed from the property, per management. Anyone placing themselves or others in danger will be removed from the property. Tickets and/or hard card credentials will be confiscated from anyone removed from the property. All Connecticut state laws will be applicable and enforced by the Connecticut State Police. We ask our fans to report anyone not obeying the above conditions by calling 860-923-2280. After hours, please report suspicious behavior to onsite security.
