Club Days: 37!

Please note the run times for each Club Day this year. In April and October we are stopping earlier (darkness), though, we are running later than usual in June and some days in July to make up for it. July 7th and August 6th are extra days I grabbed with short hours because of other track events. We also have a Saturday Club Day, September 12th. Prime track time. Bring a friend or two!

July is half off guest track fees. Limited to two discounts per member per day.

We are running on Fathers Day this year. To show our support for all of the Fathers out there, spouses and children are free; no track guest fees! Also we'll have a cookout going that day as well.
